SUMMARY

- Computer Science graduate from Hawassa University with a Bachelor of Science in Computer Science. I bring over a year of hands-on experience in photo editing, graphic design, and camerawork, alongside my current role as a Project Manager at Chromepay LLC, where I train cooperative workers on digital payment systems. As a junior software developer and July 2025 software development scholarship student at Power Learn Project, I am passionate about building solutions that solve agriculture-based problems using technology. Skilled in Python, HTML, CSS, JavaScript, and Photoshop, I combine creativity with technical expertise to deliver impactful results.
